RE: Key Worker Survey

19th March 2020

Dear Key Worker parents

Please IGNORE this letter if you do not consider yourself a Key Worker.

We are now ready to start collecting information from Key Workers so that I can judge what the need will be from you for a place for your child.

We do not have clear information as to whether we would 'stay open' for you or whether child care would be provided at a local hub – this is the most likely outcome I think.

What is clear is that both of the child/ren's carers MUST be Key Workers.

The list of recognised Key Workers has not yet been published and we are told might not be before 5:30pm.

However we need **anyone who considers themselves a Key Worker to fill in the survey by clicking this link:**

Only complete this survey if you think you ARE a Key Worker

Thank you everyone, I understand that the information coming from us at the moment is not as clear as we would like it to be. Please know that we are doing our best with the information available. It's changing all the time!
