

More of you will be working on Go! challenges in all learning.

In RE, all of you will take pride in your work and are able to talk about your work, your learning and your faith.

All of you will have the chance to talk about what you want to learn. Teachers will make sure this learning is covered in lessons.

Lots of you will have the chance to be a 'Learner Leader'. Learning Leaders help others to gain in confidence and skills in all subjects.

Our class target:

All of you are able to use a range of bits and bobs (concrete resources) in maths to help you gain confidence in maths.

Most of your Operation DIY challenges have been mastered.

All of you will have excellent attendance. More of you will be awarded attendance badges every term.

We will all have a fair chance to learn and grow together and to do the best we can. We do this by knowing and loving Jesus more everyday and by following his teachings in a joyful way.
