8th January 2021

Dear Parents,

Last night, the government published new guidance for schools. This states that nursery provision should continue to remain open and that we should offer all nursery children the option of their usual timetable hours, 8.45am - 11.45am.

This means that from Monday 11th January, our nursery will be open to all children.

We understand that you may have concerns about sending your child in, please know that this is completely voluntary and if you decide to keep your child at home that is at your discretion as this is not compulsory.

As the severity of the situation remains, we encourage you to consider this option carefully as you may decide it is still best to keep your child at home.

Mrs O'Halloran and Mrs Myers will still run a morning zoom session for the children that are not in school, for a maximum of half an hour at 8.30am each day. We will review this, depending on how many children come into school on Monday.

Please follow the link to complete the form to let us know if your child will be in so we are aware of numbers. When completing the form please complete the section that says your child is vulnerable and write nursery in the answer box.

<https://forms.gle/yVZTqDafFUYNKuAf8>

Please assume your child has a place unless

Thank you,

Miss Dawson

Early Years Leader
