RE: Whole School Update

Laetare Sunday 22nd March 2020

Dear Parents

I hope that you are all keeping safe and well! Happy Mother's Day to all you mums too!

There was no newsletter this week so instead I am writing to all you to keep you updated.

**St Mary's is closed so please do not send your child into school.**

As you know we are closed to all but the children of Key Workers who have asked us to provide child care. I am hopeful that the provision we have put in place is robust so that it can last for an extended period. Of course we do not yet know whether there will be additional restrictions on movement in the coming days or weeks. Please remember our Key Workers in your prayers.

**If you are a Key Worker and have asked for a place for your child we need you to complete the attendance reporting form on the home page of the website WEEKLY before Sunday afternoon so that we can make sure of numbers prior to the start of the week.**

For everyone else, work to support home learning has been uploaded to the website here, [www.smi.hounslow.sch.uk/home-learning.html](http://www.smi.hounslow.sch.uk/home-learning.html), first - before scrolling down to the Year Group pages. On the main page you will find links to ideas and activities which not are linked to specific year groups – a great example of this is the 9am daily PE session with Joe Wicks. On the Year Group pages you will find that much of the content has the date in the title so that you can (if you wish) work with your child in the key areas of learning everyday.

*With Christ in our hearts we grow in love to help others.*

We are planning on providing provision for home learning for the remaining 14 weeks of this academic year – through to July. A new home learning pack will be uploaded every week.

Thank you for your continued support and the very best wishes to you all.
