RE: Whole School Midweek Update

1st April 2020

Dear Parents

We hope that you are all well and are keeping safe. We are now midway through the second week of school closures and you will have had time to find the learning packs which have been uploaded to the Home Learning page of our website here: <http://www.smi.hounslow.sch.uk/home-learning.html>. There are now activities for most of the days across the two weeks from 23rd March to this Friday.

After the Easter holiday the existing packs will be removed from the website and new learning packs will be prepared for the week beginning 20th April. These new packs will be uploaded to Google Drive along with the first two weeks work. From 20th April Learning Packs will be uploaded to a shared Google Drive folder and not the school website pages. You will be able to find them all here:

https://drive.google.com/open?id=1FljTeQesfTdVRelzabPsOHT_6YVyo9aG&authuser=head@smi.hounslow.sch.uk&usp=drive_fs

or here www.bit.ly/SMIHLarchive. This link will be added to the home learning pages too.

It may be that your child is using the internet more than they are used to. If this is the case you may want support in how to keep your child safe online. Below are some useful links to help parents and carers:

- [Thinkyouknow](#) (advice from the National Crime Agency to stay safe online)
- [Internet matters](#) (support for parents and carers to keep their children safe online)
- [Parent info](#) (support for parents and carers to keep their children safe online)
- [LGfL](#) (support for parents and carers to keep their children safe online)

Thank you for your continued support and the very best wishes to you all.
