RE: Whole School Update

24th April 2020

Dear Parents

I hope that you are all well and that you are keeping safe! We are now into the second period of lock down with 4 weeks to go until what would have been the summer half term. Like all of you I get my updates from the Government's daily briefing and like all of you I hope and pray for a reduction in the numbers being admitted to hospital and in those who are losing their lives to Coronavirus. I am heartened to read that so many people have been carefully following the Government's advice and staying home but at the same time I am worried that the roads seem to be getting busier day by day. It's good to remember that in staying home we save lives.

Home learning packs for the coming week have now been uploaded to Google Drive you can access them via the link of the Home Learning page of our website. Please do what you can; doing as much as your own family circumstances allow. I am really aware that each and every home operates differently with different routines and therefore there are no set expectations. I welcome feedback which can be emailed to reply@smi.... with 'Home Learning' in the subject line. However please remember that for the reasons outlined in previous updates we are not able to video call or contact the majority of families individually.

I do hope that you are all able to take your hours daily exercise and are able to enjoy the signs of spring which are all around us. I've noticed so many rainbows in the windows and everytime I see one I am reminded of God's covenant with our forefathers after the Flood. Just as he saved Noah and his family he has saved us all through the death and resurrection of his son Jesus!

Thank you for your continued support and the very best wishes to you all.

St Mary: Pray for us!

St George: Pray for us!

A handwritten signature in black ink, appearing to read "F Marsh".

F Marsh

With Christ in our hearts we grow in love to help others.
