

Year 2 '3Rs' Knowledge Planner – Autumn 2020

Reading

Revisit phase 3 and 5 phonic sounds (including split digraphs)

Answer simple how and why questions from pictures or text.

Summarise the main points of a text.

Ask questions to improve their understanding of a text ('I wonder...')

Writing

Recognise and use punctuation (*capital letters, full stops, commas, question and exclamation marks*).

Practise correct formation of letters in joined handwriting.

Begin to use conjunctions (*and, but, because, so, or*).

Revisit the presentation rules (*laying out the date & title and underlining with a ruler*).

Use phonics knowledge to write correctly spelled extended sentences.

Identify and use a range of nouns, adjectives and verbs (*people, places and things, describing words and doing words*).

Use the correct verb tense in writing (*past or present*).

Maths

Count to 100

Compare and order numbers to 100 (*one more, one less and place value of 2-digit numbers*)

Partition 2-digit numbers in different ways (*part-part-whole models, bar models*).

Number bonds to 20.

Count in 2s, 5s and 10s.

Mental addition and subtraction within 20.

Use mathematical vocabulary.

Understand mathematical symbols.

Use resources for place value (*Dienes blocks, Numicon, 100 squares and number lines*).

Introduce written methods of calculation (*column addition and subtraction*).
