

Dear Y5 Parents of children going to PGL Marchants Hill

6th September 2019

For many years our Y5 children have visited the PGL Marchant Hill adventure site. Normally we share photos of the children throughout the days on the school's facebook page. This enables you to see them every day and keep track of what they've been up to.

The school's facebook page is no longer regularly published and I get the sense that views towards facebook have changed. I am therefore inviting you to give permission to allow us to photograph your child and publish these pictures on the school's facebook page.

Please do so using this form: <https://forms.gle/oP3ZB1ssmlohFuzL6> before Monday 16th September. I will then be able to make a judgement on whether we will take and publish photos of the children. It will not be possible to only take photos of some of them so I will need all of you to agree for photographs to be possible.

Thank you for your continued support.
