

20th May 2019

Dear Parents,

Year 3 Visit to Twickenham Beekeepers' Association

To link with this term's Science topic, *Plants and Pollinators*, Year 3 will be visiting Twickenham & Thames Valley Beekeepers' Association on **Thursday 6th June**.

In this fascinating trip the children will find out about the importance of bees as pollinators, learn about their life cycle and watch honeybees at work in their hives from the safety of a secure hide.

Both classes will go on the same day, with 3M going at 10am and 3F at 11am. We will travel by bus to Twickenham and the visit lasts an hour so we will be back at school in time for lunch and normal lunch arrangements will apply.

As the Beekeepers' Association is a charity run by volunteers, they have asked for a donation of £2 per child. **Would you please ensure that your child brings in £2 by Wednesday 5th June.**

As always, we will be very grateful to have parent helpers on the trip. If you are able to accompany us, please email: reply@smi.hounslow.sch.uk.

With best wishes,

Mrs Millett and Mrs Formby
