

ST. MARY'S CATHOLIC PRIMARY SCHOOL, ISLEWORTH

Dear Parents /Guardians,

22nd September 2016

To support and enhance the Year 3 work on maps, we plan to take the children to the British Library for a free workshop entitled 'Map Your World'. **3L will go on Wednesday 12th October**, while 3M will go on Monday 3rd October. The 90 minute workshop is a practical look at making maps, appreciating them as useful tools as well as works of art.

We are travelling by bus and tube, so there will be no cost for the visit. We intend to take 2 members of staff and would like at least 3 additional parent helpers to ensure maximum supervision of the children. If you are able to help, please inform the class teacher as soon as possible.

The children will need a packed lunch, preferably in a disposable bag, a drink (not fizzy & no glass bottles), school uniform and a raincoat if the weather is poor.

Please note we will not arrive back to school until 4.00pm. Please make any necessary arrangements for the collection of your child.

Yours sincerely,

**Miss F. Lloyd
Class Teacher**

.....
3L Visit to British Library – Wednesday 12th October

Child's Name:

Year 3L

I am able / unable to accompany the class to The British Library.

Signed: Parent/Guardian
