

Dear Parents,

11<sup>th</sup> March 2016

On Friday 15<sup>th</sup> April, “Ten Ten Theatre Company”, an award-winning company working in Catholic schools throughout the UK, will be visiting the school to perform the above plays for the children from Reception to Year 6 as part of our SRE (Sex and Relationship Education) programme.

**Rec, Y1 & Y2 - UP IN THE CLOUDS enables children to see that you can find happiness not only in doing what you want for yourself, you can also find happiness in doing things for others.**

**Y3 & Y4 - THE GIFT helps children to discover the beauty of self-giving and sacrifice**

**Y5 & Y6 - HEALTHY HEART helps children to understand how it is possible to build up relationships rather than destroy them, to discover friendship in unexpected places, and to believe that everyone is valuable in the eyes of God.**

As part of the visit the company will also provide a session for parents during which time they will:

- **Perform** extracts from the different plays they are showing to the children;
- **Inform** you about the values and ideas they are teaching;
- **Facilitate** discussion in response to the presentation;
- **Offer** you a free gift: an 80-page booklet to support the work.

We very much hope that as many parents as possible will take up this opportunity to participate in this exciting, informative and important event. The parents’ session will take place at 9.00am until approximately 9.30am in the school hall.

The cost of the day will be £2.25 per child which should be paid via [www.parentpay.com](http://www.parentpay.com) by **Wednesday 13<sup>th</sup> April**.

In order to get an idea of numbers for seating, can you please complete and return the slip below again return by **Wednesday 13<sup>th</sup> April**, indicating whether you will be attending the parents’ session.

Yours sincerely,

**Mrs J. Williams**  
**Acting Deputy Headteacher**
