

ST. MARY'S PRIMARY SCHOOL, ISLEWORTH

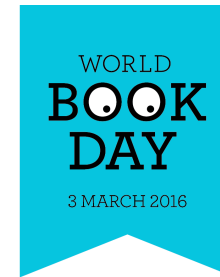

In celebration of World Book Day, we have attached a World Book Day Book Token for £1. This can be used to swap for any one of ten World Book Day books or put towards any full price book instead. The token can be redeemed at participating bookshops.

As a school we will be celebrating World Book Day in the Summer term so that we can include a parade when the weather is warmer.

Early next term you will be informed as to the theme for the week.
