Dear Year 3 Parents,

Roald Dahl Activity Day

In English this term we have been exploring Roald Dahl's books, looking at how he created interesting characters and described places. The children are now rehearsing scenes from plays adapted from his stories and will be bringing home some lines to learn this weekend.

We plan to have a day of Roald Dahl themed activities next **Monday, 17th July**, finishing with a very informal performance of their play scenes in the afternoon.

Please don't feel you have to supply your child with a special outfit, but if you have something quick and easy you can put together and they would like to dress up as a Roald Dahl character that would add to the fun. Even better if it is the right character for their part in the scene they are acting!

Some ideas for quick and easy dressing up are on this website:

Thanks for all your support this year.

Best wishes,

Mrs S Millett and Miss F Lloyd
