

# St Mary's Isleworth

With Christ in our hearts we reach out to others

**Make a habit of saying; 'please, thank you and sorry.' Pope Francis.**

## Calling all parents!

Do have 20/30 minutes to spare in the mornings?

Could you help us take late children to class in the mornings? We'd like some help in the office in the mornings with this routine task. Training will be given! If you are able to help please contact the office.

## Parents Evening appointment sign up

Parents' evenings will be held on Tuesday 12th Feb and Thursday 14th Feb. Sign up links will be added to the class pages of our website next week. Please sign up for only 1 slot and use your child's first name.

## Earrings

A reminder that we do not allow earrings to be worn - even if they are covered up with tape. Please remove your child's earrings before they come into school.

## Homework

We are reviewing our homework policy and we would like to gather your views. Please let us know what you think but taking part in this survey: <https://s.surveypal.com/GkS7IG0Li>. The survey will run for 2 weeks from 18/2 to 1/2.

## Letters

In the vast majority of cases we are no longer sending hard copies of letters home. The exception to this is for small groups of children who have been selected for activities which the rest of the class will not be taking part in. In cases like this letters will still be sent home via the children. In all other cases letters will be uploaded on the letters and updates page of our website. We will send you a text to alert you to any new letters.

## Maths No Problem Parent Sessions

If you were unable to make the sessions this week have a look at this page under the 'Helping at Home' tab on our website: [www.smi.hounslow.sch.uk/about-us--maintenance-fund/helping-at-home/maths-no-problem.html](http://www.smi.hounslow.sch.uk/about-us--maintenance-fund/helping-at-home/maths-no-problem.html). ## Two workshops for parents to help you transform your family in 2019

### Supporting your anxious child

Anxiety can appear at almost any age and may show itself as an inability to sleep, tummy aches on the way to school or a social gathering or just simply an unwillingness to participate in activities with others without a parent there. Some anxious children are fine with others but frightened at night or when they are alone - with nightmares and poor sleep patterns or a constant desire for company.

Whatever the anxieties your child might have here is a workshop to explore some of the causes and ways of supporting anxious children of any age to feel more in control and overcome their worries before they become too entrenched and hard to shift.

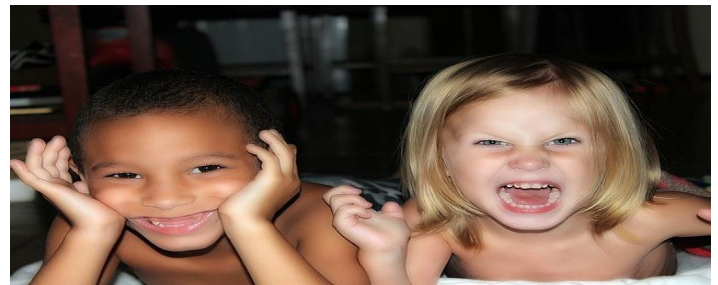

#### Booking is required

**Date:** Wednesday 30th January 2019

**Time:** 7.00pm - 9.00pm

**Venue:** The Queens Primary Sch.  
Cumberland Rd, Richmond TW9 3HJ

For more information or booking [click here](http://www.gillhines.co.uk/)  
Or go to <http://www.gillhines.co.uk/>

### Managing behaviour – under 8s

How we manage a child's behaviour depends a lot on age and their neurological development. What may work for a 9 year-old may leave a 6 year-old feeling bad about themselves or feeling shame. Today many people use logic and reasoning with children too young to understand it, so children feel they are 'stupid' and wrong but don't know what to do about it – which could contribute to anger or anxiety issues later. This workshop is all about the under 8s and what research (and 40 years experience) tells us works for them. It covers all the basic principles and techniques for helping children to:

- want to behave well
- take responsibility for their own behaviour
- learn from their mistakes

#### Booking is required

**Date:** Tuesday 22nd January

**Time:** 7.30pm - 9.30pm

**Venue:** Whitton Community Centre, Percy Rd. Twickenham TW2 6JL
